In the event that you will not be able to keep an appointment, please notify us at least **48 hours** in advance. If you do not attend your session and notification of this change was provided no later than 48 hours prior to your session, you will be charged the full session fee. Hope Heals Counseling does not reimburse for missed sessions, so if you are charged for a late cancel/no show, the fee will be taken from the credit card we have on file.

We will run the card approximately 24 hours in advance of the session. We will use this card for your co-pays as well. If you would like to pay in any other way, just let us know. By signing this form, you state your agreement with these terms.
